

The Way of American Genius Challenge

Missouri is home to innovators, entrepreneurs, and leaders who have and continue to shape American history, life, and culture. The Way of American Genius Challenge invites you to explore the lives and legacies of Missourians who left their mark on not just the state but the nation.

*The Way of American Genius Challenge is sponsored by the **Missouri Highway 36 Association**. The mission of the Missouri Highway 36 Association is to cultivate the educational experience and the economic wellbeing of the Missouri Highway 36 corridor by fostering a greater appreciation of its natural, cultural, and historic resources by identifying and promoting the theme “The Way of American Genius”: those individuals and innovations that have uniquely defined and influenced American culture, and character.*

The Way of American Genius Challenge ... Visit 10 sites in at least 5 counties. Remember: Missouri Explorers must be registered in the program, and they are responsible for checking hours and availability of sites.
